**THE BOONESLICK STRINGS**, ( Al, Joe & Ron ) have been playing the music for old time Jigs, Reels, and Square dances around the mid west for almost 20 years. We were all muzzle loader shooters, and early on we began playing music around the evening campfires at the many "rendezvous" shoots which we attended. After many request from people for recordings of our music, we formed "The Booneslick Strings" in 1992 and now spend more time with our music hobby, than we do at our shooting hobby. ph -314-303-6034 e-mail: [m235425@yahoo.com](mailto:m235425@yahoo.com)

### **String Connection**

**Our Mission** To provide a venue for local youth to develop their musical skills, and to preserve the musical traditions of the Southern Illinois area.

**Our Motto** Youth can and will achieve extraordinary things if given direction and the opportunity to explore their interests. This group was formed in 2007 to foster area youths' musical talents, to assist in preserving the area's history, and to have fun with diverse types of music. Besides musical talent, each member brings deep-rooted dedication to these goals.
